Multiple Services?

We have noticed that almost everyone from both services attends the Sunday classes. We are happy for all the participation in the classes. Since we are all in class together, we also wonder if it might be time to return to a single morning service. If you think the early service is still necessary, please let us know.

Potluck at the Park

Next Sunday, everyone is invited to a potluck at J.R. Martin Park in Republic after services (if the weather permits). Bring your lawn chairs.
